January 2012

Volume 12 Issue 1

January 2012 Edition of the Prez Sez -

Upcoming Meetings:

- January 9, 2012 @ Fuddruckers in South County

Meetings will be held on the 2nd Monday of each month at 7:00 PM at the South County Fuddruckers
10572 Sunset Hills Plaza

I hope that everyone had a good Christmas and a wonderful New Year. Looks like we only have about 3 months of cold that we will have to weather and then it will be time to get those cars out and hopefully enjoy a great spring.

We will be having an activities meeting coming soon so if anyone has some ideas of things that we could do this spring, please let me know and we will see what we can do.

That's about all that I have, there isn't much going on right now so I hope to see you at the meeting.

Keith

Remember that it is time to fill out membership forms for the new year!

Happy New Year! I hope everyone had a very Merry Christmas!

Attached to the newsletter is the new membership form. Please take time to fill them out, including birthdays, please!

If you are interested in having your car in the "world famous" newsletter, please let me know. You can email me the information and a picture (please). If you would like me to spotlight someone else's car, please send me the information.

Also, if you attend any car shows or cruises, please send pictures to me and I will get them. Keep the pictures and information coming!

Have a great January and see you soon!

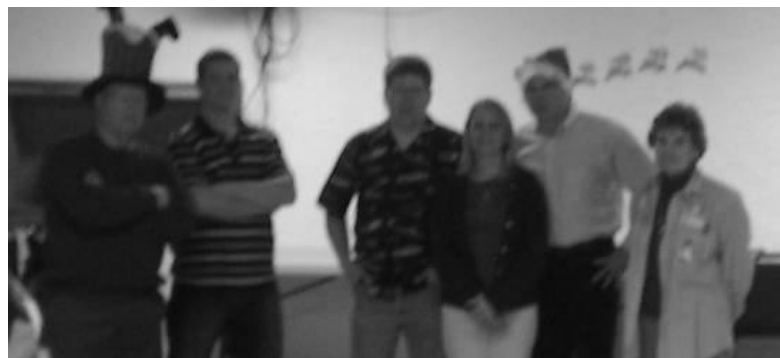

Angie Shockley

Imperial Blue Camaro Riding Into Sunset. Color To Be Discontinued.

To the dismay of "IBM" fans, news has come that the imperial blue metallic color for the Camaro will be discontinued soon. According to Fbodfather: Because Camaro shares a common body and paint shop with several other vehicle lines at Oshawa, we must abide by decisions that affect more than just Camaro - and thus Imperial Blue Metallic will be discontinued very shortly. Offering it for only a week or so on the ZL1 is not practical as it would require paint re-validation for ZL1-unique components such as bumper fascias. Crystal Red Tintcoat will be available to order shortly. We will have further information as to order cut-off dates for LS, LT, and SS models in Imperial Blue Metallic very shortly. Unfortunately, no blue color will be offered for any Camaro models for 2012.

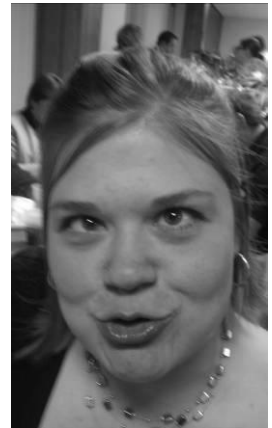

Past Events:

December 9, 2011:

The Christmas part was a huge success this year. We had a great evening of presents, food, and the "left right" game.

The gang's all here!
Members to the right
and everyone below!

Way to give back, Gateway Camaro Club! Our club raised almost \$270, a donated tree, and lots of gifts for our family in Joplin. Keith, Sarah, and I made the trip down on December 11th. It was a long but rewarding journey. The Campbell family was without words for our club's generosity and caring gifts. They are such a nice family and it was great to be able to give them such a great gift! Below is the letter they sent to us and a picture of the children! Thank you again GCC!

Thank you Gateway Camaro Club!!!

Dear Friends,
 Thank you so very much for the toys, gift cards, and Christmas tree you gave to our family. Words can't express how grateful and fortunate we feel because of what you did for us. We used the beautiful ornaments, and created our memories this Christmas. God Bless You!

Secretary /Treasurers Report by Chuck Connoyer

"HAPPY NEW YEAR" Well I'm back!!!!!! Bet you all never knew I took off a year to rejuvenate the batteries. Thanks to Leila Shockley for giving me a break but I think she is looking forward to retirement again.

Financially, the club is in just as good of shape as we were last Jan. I will have a year end balance sheet with me at the next meeting for members review. A few folks elected to not join the club last year but then membership grew as the year went on ending only 4 members shy of last years count. For those who don't know Fuddruckers donates 20% of what we spend back to our club via a check in the mail.

Last year our treasury grew almost \$400.00 just by meeting and eating at their restaurant. That is why we have coupons available to give to the cashier when you order your food.

The elections were held but since most offices went unopposed it really did not matter much. Officers for 2012 are as follows; President - Keith Shockley, Vice President - Mike Steitz, Sec / Treas - Chuck Connoyer, Director - Louis Pfleckel (12 / 13), Activities Director - Chris Frisch, Newsletter Editor - Angie Shockley

There will be an activities meeting shortly so if you have an activity that you think members might enjoy pass that information to one of the board members so that it can be presented at our activities meeting. Events are scheduled but not cast in stone. We strive to have one event a month especially in the winter months when there are no shows or cruises.

The Christmas party was again a success with good food, games and presents. I wish to thank Mary and Cindy for doing the decorating of the hall and the other folks who helped clean up afterward. Thanks to Angie for providing the CHEVY bingo and Cindy for the Right / Left game. I do want to apologize for running out of some food this year, but there was some confusion as to how many guest were to attend, so the caterer had planned for fewer folks than what showed up. Won't happen again.

We're on the web.

Our next meeting is August 8th at
 Fuddruckers in South
 County.
